

PROGRAM AT A GLANCE

	Sunday		Monday				Tuesday				Wednesday		
	Course 1	Course 2	Session 1	Session 2	Session 3	Session 4	Session 1	Session 2	Session 3	Session 4	Session 1	Session 2	
8:30	Full day: 8:30 am to 4:30 pm		Plenary Speaker (Bob McDonald) + Awards				General Ecotoxicology	Science and Decision Making	Dev. In Bioaccumul. Science	Advances in Env. Quality Guidelines	Start later (8:50)		
8:50											Watershed-Based Monitoring	Molecular methods in Env. Monitoring	
9:10		Half day: 9:00 am to 12:15 pm											
9:30													
9:50													
10:10	Coffee Break	Coffee Break	Coffee Break				Coffee Break						
10:40	How BC Regulates Discharges to the Aquatic Environment	Ocean Plastics Pollution	Behavioural Toxicology	Directing Future of Pesticide Res.	Multi-Generation Ecotox. and Epigenetics	Advances in Metal Bioavail.		Advances in			(10:30-10:45) Coffee Break		
11:00											(10:45-12:00) Playle Awards/AGM/Intro to CEW 2019		
11:20													
11:40													
12:00	Lunch	Lunch	Lunch + Plenary (Tyson Atleo)				Lunch + Plenary (Peter Ross) / Student-Mentor Mixer				Lunch (3MT + student awards)		
1:30		Half day: 1:00 pm to 4:15 pm		R's of Cont. Soils	Env. Monitoring - Athabasca Oil sands			Omics for Ecotox	Micro/macro plastics				
1:50													
2:10													
2:30													
2:50													Break
3:20		Introduction to Regulatory Toxicology							EEM alternative to fish survey				
3:40													
4:00													Mixtures
4:20													
4:40													
5:00	Student Social		Poster Session				Poster Session						
7:00-9:00	Opening reception						Banquet (7pm to Late) - ticket required
